

CIVIL SERVICE POSITION DESCRIPTION

INCUMBENT: _____

PRESENT CLASSIFICATION: Quality Specialist (Quality Management RN)

DEPARTMENT/DIVISION: Office of Correctional Medicine (OCM)

CSN: _____ **FLSA STATUS:** _____ **DATE:** July 1, 2021

Function

Under general direction, the Quality Specialist - Registered Nurse manages, performs and coordinates highly specialized and essential quality management activities for the Office of Correctional Medicine's Quality Management and Operational Excellence (QMOC) Section's Standards, Performance & Accountability Review Teams (SPART) in accordance with policies and standards of performance. This position requires travel to, including but not limited to, correctional facilities.

Organizational Relationship

The Quality Specialist - Registered Nurse reports to the Physician/SPART Chairperson, who in turn reports to the OCM Director of Quality Management and Operational Excellence, who in turn reports to the Executive Director of the OCM, who in turn reports to the Associate Provost for External Relations, who in turn reports to Dean and Provost of the SIU School of Medicine/Chief Executive Officer of SIU HealthCare.

Duties and Responsibilities

The following information is intended to be representative of the work performed by incumbent in this position and is not all-inclusive. The omission of a specific duty or responsibility will not preclude it from the position if the work is similar, related, or a logical extension of position responsibilities.

Demonstrates, by actions, commitment to the mission and the behavioral standards of SIU School of Medicine. Provides excellent service to both internal and external customers through collaboration and partnership; compassion and respect; integrity and accountability; diversity and inclusion; as well as continuous learning and improvement.

% of time	Duties
25	1. Provides professional nursing research, consultation and quality management advisory input to the Standards, Performance & Accountability Review Team (SPART) by assisting the creation, review and implementation of clinical policies, procedures and educational materials for correctional health services. Works as part of a multi- and inter-disciplinary team to solve quality management challenges and recommend action plans for improvement. Performs duties collaboratively with SPART by observing correctional healthcare clinical and workflow practices as directed and identifying gaps in performance, opportunities for improvement, continuous process improvement, and other quality and change management efforts related to the delivery of healthcare to justice involved individuals. Collaborates with clinicians, administrators and other staff to design, promote and drive best quality management standards and practices.
20	2. Applies extensive knowledge of clinic operations and clinical experience to accurately assess infection prevention/control and specimen collection and nursing/healthcare service delivery processes. Participates as a consultant in the implantation of chart review tools, standards of care, outcome measures, etc. Researches and utilizing best practices and appropriate quality management standards and tools, investigates, plans, organizes, interprets, observes and analyzes various sources of information and clinic workflows in support of quality management reports and University and/or

	departmental business operations. Conducts research assignments involving the evaluation, selection and compilation of data and information from a wide variety of sources; prepares reports which require the synthesis or integration of a variety of subject areas or the summation of the individual contributions of staff members or sub-units. Gathers and maintains statistical data for administrative reports, clinic utilization statistics, utilization reviews; reviews and analyzes of complex data provided by the staff, as well as from additional sources, including qualitative surveys, quantitative audits and evidence-based best practices and literature reviews. Provides comprehensive and timely reports and detailed analysis for administrative use.
15	3. Works with SPART Chairperson to communicate results of site surveillance/audits, including but not limited to, mortality and morbidity reviews; standards, performance and accountability reviews. Develops, recommends and/or implements performance improvement in clinical practice and infection control initiatives as necessary. Makes clinical judgments based on evidence-based standards of care, review criteria and nursing practice guidelines when applicable.
	4. Provides clinical expertise and participates in the a) design of audit methods and instruments to measure performance and service delivery, b) identification of opportunities for improvement, c) development of action plans for resolution of issues identified by SPART, d) site visits and audits. Coordinates, assists, trains and evaluates quality management processes regularly in specific segments and as assigned. Performs routine inspections and quality tests. Performs inter-rater reliability as directed by SPART Chairperson. Analyzes and makes recommendations for staff training needs. Identifies clinical problem areas and recommends correction of deficiencies. Develops, implements and maintains systems to ensure effective and high-quality nursing care.
15	5. Reviews, evaluates, develops, and interprets OCM, partner and stakeholder policies and operational procedures and communicates updates to SPARTs. With input from SPART Chairperson, SPART members and leadership staff, answers complex nursing inquiries and resolves problems that require the interpretation, explanation, and justification of quality management and programmatic policies and procedures. Produces documents which may be proprietary or highly sensitive and confidential. Documents may include, but not be limited to, standards, performance and accountability reviews which include mortality and morbidity studies.
5	6. Serves as a coordinator, facilitator or liaison to committees, teams and outside organizations as assigned. Provides authoritative information, assistance, and advice to departments, various constituencies, stakeholders, and individuals at all levels (including national, state, regional, community, and campus levels) and acts as a representative for the QMOE SPART unit and/or executives/administrators, as requested, which includes sitting on various committees and/or attending professional conferences.
5	7. Maintains an overall awareness of organizational activities of import or impact to the designated member(s) of the unit staff and the unit; develops and trains OCM staff and partners on ethical, compassionate and none non-judgmental aspects and techniques needed in the performance of services.
5	8. Performs other related duties as assigned
